Empower the World

IEC/EN 60947-2 Compliant

Air Circuit Breakers Moulded Case Circuit Breakers

High Current ACB with intelligent Controller

MCCB Power distribution protection and isolation

Motor or Manual Driven

Motor or Manual driven options, withdrawable or fixed models.

New electronic release

It deals with hidden faults more accurately and with more convenient parameter settings.

Up to 6300A

Rated current up to 6300A, standard electronic relay (type M) or advanced (type H). With Thermal regulation 0.4 to 1xIn.

Reliable under extreme conditions

-35°C/+70°C operating temperature range. Meets wide ranging application requirements.

3 and 4 Poles

Complies to IEC/EN 60947-2 standards.
